

Supplier Xchange™

Instant Pricing Direct from Your Supplier

Supplier Xchange dramatically speeds the bidding process by connecting the contractor to their preferred supplier's pricing data in real time.

The contractor electronically submits a list of items to their supplier from their estimating program or from TRA-SER®. The list is instantly matched to their supplier's pricing file and within seconds the list is returned with contractor-specific pricing, ready to apply within the bid or estimating program.

Key Features:

- Contractor-specific pricing from preferred suppliers in real time
- More accurate and timely bids
- Seamless integration with major estimating systems
- Supplier pricing requested from the estimating program or TRA-SER®
- Pricing returned in seconds ready to apply within the bid or estimating program
- Over 1,700 distributor branch locations connected through Supplier Xchange
- Supplier Xchange included in TRA-SER at no additional charge

Key Benefits

- Increased accuracy and faster bid preparation
